**A JOURNEY TOWARDS
COMPLETE EDUCATION**

Make a Smile

Nirman Foundation has been providing financial support for education to 10 students since 2018 from Manjushree Vidyapith Orphanage, located in the town of Tawang in Arunachal Pradesh. This commitment is to continue till they graduate from high school. Rs.15,000/- per child is provided towards expenses incurred for the needs of the children. Every year we are delighted to receive letters from the children and hear of their experiences as they continue their journey towards a complete education.
